

Student Feedback

TRY NOT TO ASK QUESTIONS THAT START WITH “WHY” BECAUSE IT TRIGGERS AN EMOTIONAL RESPONSE. EXAMPLES OF BETTER QUESTIONS ARE:

- ☐ What would you do differently next time?
- ☐ How did the intervention(s)/examination go?
- ☐ Would you change anything if you could do it over again?
- ☐ If you were me, what feedback would you give?

MAKE SURE TO CONSIDER YOUR STUDENT’S PREFERRED LEARNING STYLE WHEN GIVING FEEDBACK
