Professional Development Pyramid (PDP)

"Begin with the end in mind."

- Stephen Covey

At RPI, we not only want to help our patients reach their goals, but our clinicians to achieve theirs. To do this, we need to start with your utmost professional goal then create a roadmap to this achievement. Your PDP will help guide you and your mentor when deciding which continuing education courses to complete, who your ideal set of patients are, and any leadership roles you may be interested in.

We know that goals may change throughout your career at RPI, so we will periodically revisit the PDP to make updates and make sure you are on the correct path.

When filling out the PDP, make sure the goals are SMART:

S – Specific
M – Measurable
A – Attainable
R – Relevant
T – Time-bound

To Do:

1. Fill out your PDP
2. Discuss with your mentor
3. Send a copy of your PDP to: jkocher@rehabilitationperformance.com and mweinzapfel@rehabilitationperformance.com
